ON THE WAR PATH.

Harry Brown was arrested again last night by Chief Gude and Officer Garvey on the charge of drunken and disorderly conduct and for abusing and threatening his wife. Brown was released from the work house a few days ago after having served a sixty-day sentence. He went home last night armed with a case knife and informed his wife that it was his intention to "clean out the house" and that he would "slay all the inmates before they could summon the police. Brown said he would first proceed to break up all the furniture in the house. His wife and child made their exit from the house via a back window. Brown was taken into custody before he attempted to demolish the furniture or commit murder. He was brought before the Police Court this morning when he stated that he did not recollect what transpired last night. Justice Caton sent the accused to jail for 90 days under the vagrant act.

FUNERALS.

The funeral of the late Mrs. Marian F. Hopkins, widow of Joseph Hopkins, who died at an early hour last Sunday morning, took place from the residence of her son, Mr. George D. Hopkins, on King street, between Alfred and Patrick, this morning. The services were conducted by Rev. Messrs. J. R. Sevier and O. D. Ballis. The pallbearers were Messrs. Wm. M. Reardon, Henry K. Field, J. S. Douglas, O. J. W. Summers, R. W. Arnold and Wm. Melchior.

The services were conducted by Rev. Father Kelly and the pallbearers were Messrs. James Roche, James Fitzgerald, James Martin, James Patterson, John McKenna and P. F. Gorman.

THE GOOD ROADS MOVEMENT.

The committee that has charge of the Alexandria county good roads campaign met yesterday in Washington. It was definitely decided to hold the mass meeting of the taxpayers at the Alexandria courthouse at 2 o'clock next Monday afternoon, October 18, when everybody will be invited to express their views. Engineer Wilson, of the state highway commission, has promised to be present to deliver an address, as has also State Senator Lassiter, who is in the forefront of the cause of good roads in Virginia. Instead of presenting a definite bonding scheme to the mass meeting such as has been suggested—\$250,000 being the amount tentatively fixed—the committee decided to leave it to the body of taxpayers to discuss the best ways and means of raising the money.

MT. VERNON FEES PROTESTED.

A meeting of the Mount Vernon Antifreeze Association was held last night in Georgetown. The association believes that the people of the United States should demand that congress appropriate money annually to provide for the maintenance of the estate. That Mount Vernon be kept open for the public free of entrance fee. The secretary read excerpts from the annual reports of the Ladies' Mount Vernon Association, showing that in 1908 there was on hand an endowment fund of over \$100,000; interest accruing from same, \$3,165, and revenue from gate receipts and other sources of over \$45,000 for the year.

POLICE COURT.

[Justice H. B. Caton presiding]

Harry Brown, charged with vagrancy, was sent to jail for 90 days.

ST. JOHNS ON NORFOLK ROUTE.

The steamer St. Johns, of the fleet of the Potomac and Chesapeake Steamboat Company, which will Thursday evening next begin her trips upon a route between Washington, Old Point and Norfolk, stopping at Colonial Beach, going and returning, is lying at Washington, having been made ready for the route. Her saloon and state rooms are being reappointed and refurnished and the big steamer is being painted and decorated for passenger service. While at the Newport News shipyard her machinery was overhauled and changes made in her to fit her for Chesapeake bay service. The steamer will leave every Tuesday, Thursday and Saturday afternoon at 5 o'clock and will reach Old Point at 6 and Norfolk at 7 next morning. On the return trip the steamer will leave Norfolk Sunday, Wednesday and Friday at 4 p. m., and Old Point at 5 p. m., reaching Washington at 5:30 next morning. The plans of the company operating the St. Johns call for a stop at Colonial Beach to receive freight and passengers bound to Norfolk and points east and south, and to transfer freight and passengers from Norfolk and other points to the river line steamers to be taken to points along the river.

Next spring, it is stated, the Potomac and Chesapeake Company will have two fast boats to place on the route. The passenger rates have been placed at \$2 one way and \$3 for the round trip.

AMUSEMENTS.

Notwithstanding the very inclement weather the Opera House was well filled last night and those who attended were rewarded with a good show. The weather being bracing tonight and the vaudeville being just as good it can be safely said that the house will be filled. The management takes pleasure in announcing the return of Mr. Guy Johnson—Jake—and his own select company the week commencing Oct. 19. He will present for the first time before the public, the sensational southern comedy drama, "The Night Riders of Kentucky," in four acts and 5 scenes, pertaining to the late Bob McCoy feud.

The surprise was also well patronized considering the weather and those who attended were not sorry, for, as said before, the vaudeville is as good as ever presented. Browning and Jones, the talking and singing artists, captivated these present and were encored several times. The other features are first class, and it can be truthfully said, the entire show is good.

CHAMBER OF COMMERCE.

A meeting of the Chamber of Commerce was held last night at which considerable business of a routine nature was transacted. Several committees made reports, among them that having the upper King street improvements for consideration. They reported that the money for the work is now available and within a short time the vitrified brick roadway and granolithic sidewalks will be laid.
